## **Tax Time Is Here!! Don't miss out on your tax savings this year!!**

**Don't** pay someone to prepare your taxes.

**Do** consider the free tax preparation services available to you. If you earn between \$13,440 and \$48,279, (depending on your family size) you can get your taxes done for free at a Volunteer Income Tax Assistance (VITA) site. Also, regardless of your income, free on-line preparation is available through I-CAN! E-FILE. Go to [www.PHInational.org/taxes](http://www.PHInational.org/taxes) for more information or pick up an **Earn, Keep, Save MORE** brochure at your workplace.

**Do** yourself a favor! When you use these free services, you'll keep more of your money and have it fast too—usually in 10 to 14 days! And, if you don't have a bank account, many VITA sites can get you signed up for one so you can get your money back safely and quickly.

**Don't** get caught in the "quick money" trap of refund anticipation loans where you pay outrageous interest, sometimes up to 200%, on your own money.

### **Take the next step.**
